## **PANTALONE TOWING RECEIVES AWARD FOR TOP PERFORMING AAA PROVIDER IN NORTH AMERICA**

---

Niles, OH - May 12, 2020- Pantalone Towing, a AAA preferred 24/7 towing provider in Niles, announces that they have received the award of Bronze Level status in the category of Top Performing AAA Provider in North America.

There are thousands of AAA (American Automobile Association) contractors throughout North America, with only four hundred nominated for this special award. AAA providers are judged on many criteria concerning their emergency auto accident and roadside assistance, such as satisfaction of AAA members after receiving service.

“We are honored to be presented with this prestigious award from AAA,” stated James Pantalone, Owner of Pantalone Towing. “The satisfaction of our roadside assistance customers is our driving force, so we are always grateful to hear that we were able to help them in their time of need.”

Pantalone Towing has been locally owned and operated for over 50 years. They provide 24/7 car, light truck, and motorcycle towing and emergency roadside assistance to the Mahoning Valley. As a AAA preferred towing provider, all local AAA members can utilize their towing services. Pantalone’s services range from towing broken down vehicles, trucks, & motorcycles to extracting car keys from locked vehicles. They can also assist with dead batteries, flat tires, and fuel deliveries.

Pantalone Towing specializes in towing motorcycles and classic cars. Motorcycles are towed in their enclosed trailer with fleece lined straps, so the motorcycle is kept safe and secure. Classic cars are towed on their flatbed trucks with nylon strapping. The vehicle can be lifted completely off the ground to avoid any damage that could occur through other towing methods.
